

BOARD TREASURER'S REPORT 2019

It has been a privilege to be part of the School Board for 2019 in the position of Treasurer. I have learnt a lot this year under the guidance of Jac Wilson, our school Bursar. With her monthly reports and summary of everything that had happened in the month, it has ensured that everything has run smoothly. So Jac – a very big THANK YOU from myself, the Treasurer, and all the board for the wonderful effort that you do every day!

SCHOOL FEES:

School fees for 2020 will not increase. The main change will be the introduction of \$80.00 levy per student to cover all stationary in the classroom instead of individual book lists.

OUT OF SCHOOL CARE:

Once again, this year Out of School Care, in the most capable hands of Keren Barry and her staff, have provided an exceptional service to the parents of the school. A big thank you from all of us. As at October 2019, Out of School Care is in surplus \$22,641.00 and has performed well above budget for the second year in a row due to an increase in consistent bookings and exceptional management. Well done to all the Out of School Care staff!

CANTEEN:

The school canteen, run by Sonia Theil, has been doing a fantastic job of providing a good variety of morning tea and lunches for our children – thank you! A major change this year for the canteen has been the introduction of electronic ordering system which seems to be working rather well. Quite good sales for the year but is running at a deficit of \$5,287.00 as at October 2018. A big thank you to Sonia and all the mums that help out every Monday and Friday – you guys do an awesome job!

UNIFORM SHOP:

The uniform shop, in the most capable hands of Sonia Thiel has done a great job this year. As at October 2019 the uniform was shop was running at a profit of \$31.00. Thank you for all your tireless work on behalf of the school and the Santa Clara families.

P&F:

The P&F once again this year has worked tirelessly to raise funds to help with funding around the school and other non-profit events that they have done this year. I would like to thank Michelle Kinsman and all the P&F members for everything that you do for our children.

On a personal note, I would like to thank Richard for his many years of service to the teachers, parents and students of Santa Clara. We would all like to wish you the best for whatever the future may hold for you. You have made this an amazing school with a sterling reputation and I am sure that our new principal, Clinton Payne will continue this. A special thank you to all the staff here that make this the great school that it is – keep up the exception work that you all do for our children. I would also like to thank Father Chris for the spiritual guidance that her provides to our children.
