Graduation Information

29 November 2021

Dear Parents,

Please take a moment to read the information below regarding our Graduation events.

Graduation Mass and Supper

The Graduation Mass will be held on **Wednesday, 8 December 2021 commencing at 6:00pm in the Church.**

The students will need to wear their summer uniform and be at the Church by 5.45pm.

Year 6 Graduates will be seated in Reserved seating in the front rows of the church. The children will know where they are sitting and will have practiced moving to and from their seats. Thank you for understanding that parents and extended family members and friends are not to be seated in the reserved section. We would like to have all children seated by 5.45pm ready for Mass to commence.

In keeping with the dignity of the Mass, NO photography will be permitted during the Mass. We ask that all parents and guests respect this request. Parents are free to take photos at the end of Mass and during the Award and Certificate presentations. Thank you for your cooperation.

At the conclusion of the Awards presentation, the Year 6 Graduates will process to the Hall where we will share further memories with a supper, the cutting of the graduation cake and the farewell graduation slideshow. We ask that all students and families remain for this and take the opportunity to catch up and share memories.

Graduation Assembly

The final assembly for the Graduating class will be held on **Friday, 10 December 2021 from 9:00am – 10:00am.**

This assembly will involve a small ceremony where the Year 6 Graduates will pass the baton onto the incoming 2022 Year 6 cohort. They will also be presenting a song that they have chosen to bid farewell to the school community.

We look forward to celebrating these events with your families.

Kind regards

Mrs Mim Ellis and Miss Fiona Messer
Year 6 Teachers
