Statement

Welcome to the latest edition of the Santa Clara Uniform Guide.

The concept of our uniform is in keeping with the ethos and traditions of our school, especially our highly valued Dominican heritage. Students in uniform are a “walking advertisement” for their school at all times, and it must be worn with pride.

Every family is treated with dignity and respect, and we have a genuine commitment to ensuring that assistance is provided to any family in financial need.

The Uniform Shop is a non-profit operation and products are sold with minimum “mark-ups”. Any profit made is reused in the operation of the Uniform Shop.

Parents enrolling their children at Santa Clara are required to fully support the school in ensuring the uniform student’s wear is correct and of the highest standards. Substitute items of clothing that do not form part of the uniform code will not be accepted and parents will be notified to purchase the correct item.

Please note that uniform is compulsory for Pre-Primary students and consists of the sports uniform as outlined in the uniform code handbook.

Yours sincerely,
