## **HOLDING POSITIONS FOR STUDENTS**

On occasions, families ask Santa Clara School to hold a position for a student for the year while they are travelling. The cost to the school of holding this position includes school fees and associated government funding, equalling over \$12,000. Maintaining a vacant position would mean the school would need to forego programs and resources. Therefore, families wishing to hold a position will be responsible for the full amount. This may be calculated pro-rata based on the funding cycle.
